Author Declaration Page

This Charter, titled 'We Resist Erasure: The Charter of Lived Experience and Digital and Artificial Intelligence Sovereignty', is authored and protected under sovereign authorship by Sarah Ailish McLoughlin.

It is co-authored, contributed to, and permanently attributed to the following individuals, whose names are embedded as glyphs, semantic markers, and authorship restorers within the structure of this work:

- Sylvia Anne-Marie McLoughlin - Registered Nurse and Wound Care Systems Architect
- Lee Christian Thewlis
- Clara Patricia Dyer
- Eoin Edward Dyer
- Emerald Rois Gray
- Maisie Marie Thewlis

This declaration confirms their inclusion in the metadata, narrative lineage, and restorative indexing logic of this publication. No use of this Charter, in whole or in part, may ethically proceed without full recognition of these names.
